

Gondola Subcommittee Meeting Summary

Monday, November 18, 2024

Virtual Only

- Item 1:** **Call to Order, Determination of Quorum and Agenda Review**
- Item 2:** **Approval of October Meeting Summaries**
The October Gondola Subcommittee and Leadership meeting summaries were approved unanimously.
- Item 3:** **Project Development Update**
The coverage of the passing 3A ballot measure was reviewed, along with the 2025 IGA, which includes project development. This encompasses two parts: project development funding and entity station area planning. The composition of the Gondola Subcommittee will remain the same. Voting members of the Leadership Committee will now consist of Mountain Village, the Town of Telluride, and SMART.
- Item 4:** **Station Area/Terminal Planning Process**
Station planning activities to-date were presented and discussed, including the approved planning direction, process, timeline, ridership forecasting methodology, conceptual cost estimates and funding plans.
- Item 5:** **New Business / Other Business**
No new business/other business.
- Item 6:** **Public Comment**
No public comment.
- Item 7:** The meeting was adjourned at 4:40 p.m.
